ARC Broward Celebrates 50 Impactful Years

Sunrise, FL, February 9, 2007 — Broward residents are preparing to commemorate the services provided by ARC Broward, which will celebrate 50 years in service of the community on March 16, 2007. Incorporated in 1956, ARC Broward provides a continuum of supports to more than 1,200 children and adults with developmental disabilities, such as autism, Down's syndrome, cerebral palsy, and mental retardation.

Anniversary festivities begin on March 13, 2007 in recognition of National Developmental Disabilities day. The day features activities dedicated to honoring the pride and accomplishments of more than 450 employees and each of 1,200 consumers served by over 20 programs. This Achievement and Rehabilitation Center upholds the credo of "enriching the lives of people with disabilities" by consistently providing the quality of service for which they are known.

The main day of celebration is open to local supporters and includes afternoon entertainment and an evening ceremony on Friday, March 16, 2007. ARC Broward will host the event at their main campus at 10250 NW 53rd Street, Sunrise, FL 33351.

Music and entertainment will begin at noon and continue throughout the day. RSVP's are requested for the evening portion, which will commence with cocktails, recognition of community supporters, and live tributes to all ARC Broward families. A time capsule ceremony will conclude the evening as a testament to the half-century of care exhibited by the organization and its proponents.

Those wanting to volunteer, donate, or attend the event are invited to visit www.arcbroward.com for more information or call (954) 746-9400. Sponsorship opportunities are still available.
