Arc Broward

Join us on our Campaign to
Strengthen, Expand, and Secure
Arc Broward for Generations to Come.

Arc Broward's mission is to strengthen our community by empowering people with disabilities to grow, develop, and thrive.

VISION Arc Broward's vision is to set the standard for excellence and be a leading provider of innovative services that empower individuals with disabilities and their families to thrive.

VALUES We lead with Compassion, create Belonging, strengthen Community, champion Empowerment, and honor Dignity.

Dear Friends of Arc Broward,

For 70 years, Arc Broward has championed people with disabilities, celebrating strengths, breaking barriers, and opening doors to new possibilities. What began in 1956 with a small group of determined parents has grown into a vital lifeline for families across our community. Today, more than 1,200 children, teens, and adults receive support each year through 24 programs offered at 16 locations in Broward County.

Yet, there's more work to be done. Broward County is home to nearly two million residents, including more than 214,000 people with disabilities. In our public schools, over 32,000 students receive Exceptional Student Education services, 8,100 of them with autism. Behind each statistic is a child, an adult, a family striving for the same things we all want; independence, safety, health, friendship, and belonging.

Far too many families continue to face long waitlists, staffing shortages, and limited options, especially as children become adults and support grows increasingly scarce. At this pivotal moment, we must respond with bold action.

This is why we are launching our **\$10 million Beyond Boundaries Campaign** an ambitious and essential effort to strengthen, expand and, secure Arc Broward for the long term.

With your partnership, we will deliver on that promise by investing in three critical priorities:

- ◆ **Capital (\$4 million)** | Restore and secure our Sunrise campus so every child, teen, and adult we serve will arrive each day to an environment that supports growth, learning, and independence.
- ◆ **Access (\$4 million)** | Expand services and increase access across Broward County, including targeted expansion into East Broward.
- ◆ **Endowment (\$2 million)** | Build long-term financial stability to ensure our mission endures for decades to come.

Join us as we move Beyond Boundaries into the next 70 years. Your investment will ensure that every child, teen and adult that we serve has the opportunity to thrive – today, tomorrow and for generations to come.

Thank you for your leadership, generosity, and belief in what is possible.

Meet Anais!

When her family struggled to find a program that truly understood her needs, Arc Broward became the place where everything changed. With the support of caring teachers like Ms. Vero and a team who believed in her potential, Anais' communication, confidence, and social skills blossomed. Her mom says it best: "We felt like everyone was behind us and behind her." This is the power of community. This is the impact of your support.

ACCESS for Children & Families

For decades, Arc Broward has created bridges to independence. But too many families still lack access to programs and services close to home. This investment will stabilize essential programs, strengthen our infrastructure, and launch new initiatives that meet people where they are.

Our Current Programs and Services

- **Preschool** provides early education and therapy services to toddlers and young students ages 3 to 5. The team includes certified teachers, teacher's assistants, licensed physical and occupational therapists, licensed speech-language pathologists, and board-certified behavior analysts.
- **Family Support Program** is a free resource serving more than 200 families that provides information, support, tools, strategies, and resources to address the challenges that come with parenting a child with special needs.
- **Respite Care**, offered in both the family home and at Arc Broward's campus, provides temporary care and supervision to children for parents/caregivers to take a much-needed break.
- **The Alternative Behavioral Learning Environment (ABLE) program** provides an enriched and specialized after school program for children ages 3 to 21 with developmental disabilities and behavioral challenges.
- **Camp ABLE** is a unique, specialized summer camp program for children with developmental disabilities and behavioral challenges ages 3 to 21.

Meet Lizzie!

When no program truly understood who Lizzie was or what she needed, Arc Educates became the place where everything changed. At Arc Educates, Lizzie found real community for the first time. As her mom shared, “From earning her entry-level culinary certificate to landing her first job at Amerant Bank Arena, Lizzie discovered the capable, passionate young woman she had always been.” The program didn’t just transform her life—it strengthened and renewed their whole family. Micaela loved attending Arc Broward's adult day program, but her mom always knew a day would come when Micaela would need more support than her parents could provide alone. Through Arc Broward's Residential Services, Micaela found independence, community, and a place where she truly belongs. As her mom shared, "I know she felt safe and loved." The program didn't just change Micaela's life—it gave her family peace for the future.

ACCESS

for Adults & Seniors

Arc Broward provides a continuum of community living and day programs that help adults with disabilities live active, meaningful, and connected lives. Adults with disabilities experience higher rates of early-onset dementia and complex health needs, but specialized support is limited. Expanding our adult services is essential to ensuring every adult individual has the opportunity to stay engaged, safe, and supported.

Our Current Programs and Services

- **Community Living** - For more than 40 years, Arc Broward has provided adults with disabilities a place to feel at home, supported, and respected. Our residential program offers safe, welcoming group homes for individuals whose families can no longer meet their care needs. Across our five homes in single-family neighborhoods throughout Broward County, residents receive personalized support from compassionate staff, with a focus on building independence, community connection, and everyday success.
- **Barc Housing** is a 36-bed intermediate care facility in Davie that provides comprehensive clinical and behavioral supports for adults with developmental disabilities and complex needs. Managed by Arc Broward, the program offers 24/7 specialized care, therapies, and daily living support to ensure each resident's safety, stability, and quality of life.
- **Adult Programs** provide a nurturing, inclusive environment where adults with disabilities build friendships, develop skills, and stay actively engaged. With a full schedule of enrichment activities, meals, recreation, and nursing support, participants are supported and experience a genuine sense of belonging each day.

Building an ENDOWMENT

The strength of Arc Broward has always been our people—participants, families, staff, and partners. To secure the future of Arc Broward’s programs and people, we must build a permanent source of funding for stability and innovation. A strong endowment will protect our mission for generations, providing reliable funding that allows us to plan and respond to future needs.

Your investment in our Endowment ensures that Arc Broward’s doors, and opportunities, remain open forever.
